Direct Deposit may take up to three pay periods to take effect. It is recommended that you leave your prior account open until all direct deposits and direct debits have been switched to your new bank account.

If you arrange to have direct deposits or other recurring deposits made to your account at least once every 60 days from the same person or company you can visit Online Banking or call us at 833-755-4534 (dial 711 first for operator relay assistance) to find out whether or not the deposit has been made.

**Note:** Some organizations may require a specific and separate form to initiate a direct deposit request. Please contact the originator of funds to see if a specific form is required.
